PURGATIS

NEUTRAL SURFACTANT-FREE CLEANER

ZERO TEN N

Item no. 90.130.032 6 x 1 l bottle

Item no. 90.130.042 10 l canister

- ecological, neutral surfactant-free cleaner
- can be used universally on all water-resistant surfaces for basic and maintenance cleaning
- noticeable reduction in re-soiling
- ideally suited for use in combination with microfiber textiles and melamine pads

APPLICATION RANGE:

For removing stubborn dirt on all water-resistant surfaces (e.g. vinyl, PVC, PU, linoleum, aluminum, stainless steel, porcelain stoneware, plexiglas, glass, melamine resin, synthetic resin) as well as textiles coverings made of natural and synthetic fibers, upholstered furniture, wall and ceiling surfaces.

INSTRUCTIONS FOR USE AND DOSAGE:

Manual: Depending on the degree of soiling use 20-40 ml / 8 l of cold water. For heavy soiling a higher dosage can be used. Work in a 2-step wiping process.

Machine: Use as specified by the machine manufacturer or diluted to 1%. For heavy soiling apply to the floor. Cleaning performance can be significantly improved by using matching scouring pads.

Basic cleaning: Depending on the degree of soiling use a dilution of 1:10 to 1:5. Spray extraction: 1:8 (1 l / 8 l water) to 1:4 (2 l / 8 l water).

Stain removal: Apply undiluted or diluted 1:1, work in with a stain removal brush and absorbent cloth, then rinse with water. Method of application: Work from the outside in.

Wall and ceiling cleaning: ZERO TEN N is suitable for use on smooth and porous waterproof walls and ceilings. Depending on the degree of soiling apply to the surface to be cleaned using a sprayer with a dilution of 1:4 to 1:1. After a short exposure time remove the loosened dirt. Rinse surfaces with clear water.

Before use, test material compatibility in an inconspicuous area. Follow the manufacturer's instructions. No liability can be accepted for improper use and resulting damage.

TECHNICAL DATA:

appearance: clear, colorless
liquid
odor: neutral
viscosity: low viscosity
density: 1060 g/l
pH value in concentrate: 9

CONTENTS:

less than 5 %: phosphonates
Giscode: GU50
Shelf life (unopened): 3 years in original container
Shelf life (after opening): 1 year

STORAGE:

- only in original packaging, not above 40°C
- Cool, dry and protected from direct sunlight

LABELING:

Not applicable. According to EC-regulations or the corresponding national regulations the product does not have to be labelled.

TRANSPORT:

Not classified as hazardous according to the transport regulations (ADR).
