KLEEN
PURGATIS

ACIDIC SURFACTANT-FREE CLEANER

ZERO TEN S

Item no. 90.130.028 6 x 1 l bottle

Item no. 90.130.038 10 l canister

- ecological, acidic surfactant-free cleaner
- can be used universally on all water- and acid-resistant surfaces for basic and routine cleaning
- noticeable reduction in re-soiling
- ideal for use in combination with microfiber textiles and melamine pads

APPLICATION RANGE:

For removing limescale deposits, urine scale, rust and cement residue on all water- and acid-resistant surfaces (e.g. stainless steel, porcelain stoneware, ceramics). Ideal for use in kitchens, wet rooms and swimming pools, as well as for alternating cleaning in combination with ZERO TEN A.

INSTRUCTIONS FOR USE AND DOSAGE:

Manual: Depending on the degree of soiling use 20-40 ml / 8 l of cold water. For heavy soiling a higher dosage may be used.

Machine use: Use as directed by the machine manufacturer or diluted to 1%.

For heavy soiling apply a pre-treatment. Cleaning performance can be significantly improved by using matching scouring pads.

Basic cleaning: Apply undiluted or diluted 1:10 to the surfaces. Cleaning fluid should be left to work for a few minutes, depending on the degree of soiling. For extremely dirty surfaces the process should be repeated. For heavier soiling a higher dosage can be used. Pre-wet surfaces well! After a short application time remove the loosened dirt.

After cleaning the treated surfaces thoroughly and carefully rinse off any product residue with sufficient clear water.

TECHNICAL DATA:

appearance: clear, colorless
liquid

odor: neutral

viscosity: low viscosity

density: 1090 g/l

pH value in concentrate: 1

CONTENTS:

less than 5 %: phosphonates

Giscode: GG50

Shelf life (unopened): 3 years in original container

Shelf life (after opening): 1 year

STORAGE:

- only in the original packaging, not above 40°C
- store in a cool, dry place away from direct sunlight

LABELING:

Warning

Hazard statements:

H315: Causes skin irritation. H319: Causes serious eye irritation.

Precautionary statements:

P101: If medical advice is needed, have product container or label at hand.

P264: Wash hands thoroughly after handling.

P305 + P351 + P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.

Continue rinsing.

P312: Call a POISON CENTER/doctor if you feel unwell.

P332 + P313: If skin irritation occurs: Get medical advice/attention.

P337 + P313: If eye irritation persists: Get medical advice/attention.

UFI code: 4PUJ-D8AO-MN1Q-4FIG

TRANSPORT: Not classified as hazardous according to the transport regulations (ADR).
